

## ALUMINIUM & GLAZING HANDS-ON PROJECT MANAGER

As our Aluminium & Glazing Project Manager, you will be pivotal in overseeing and executing glazing projects from inception to completion. This hands-on role blends technical expertise with leadership, requiring you to ensure that every project is delivered on time, within budget, and to the highest standards.

This full-time position encompasses all aspects of glass & aluminium in both commercial and residential including skylights, commercial fitouts, windows & doors and lots more.

### Key Responsibilities:

- **Project Oversight:** Manage the planning, coordination, and execution of glazing projects, ensuring they meet quality standards and deadlines, and remain within budget.
- **Hands-On Involvement:** Engage directly in on-site activities, including installation and quality control, using your technical skills and glazing tools.
- **Team Leadership:** Guide and mentor a team of glaziers and subcontractors, fostering a collaborative and efficient work environment.
- **Client Relations:** Maintain strong communication with clients, providing updates, addressing concerns, and ensuring satisfaction throughout the project lifecycle.

### Qualifications:

- **Trade Certification:** Qualified as a glazier, shopfitter, or carpenter.
- **Experience:** At least 5 years of experience working with glass and aluminium, including fabrication, with a thorough understanding of aluminium extrusions.
- **Career Goals:** Seeking a long-term career with an award-winning team.
- **Communication Skills:** Strong verbal and written communication skills to effectively interact with clients and team members.

### Why Join Us?

- Be part of an award-winning team known for excellence in the glazing industry.
- Enjoy a supportive environment with opportunities for professional growth.
- Negotiable salary package based on experience
