

## **Experienced Glass Installer - Career progression to Leading hand / Project Coordinator role**

Expanding business in Kirrawee is seeking an experienced Glass & Aluminium installer to join our team.

This full-time role covers all aspects of glazing including replacement work, aluminium shopfronts, skylights and roof glazing, office partitions, windows and door installation on various buildings including commercial and residential.

We are looking for an all-rounder, a super skilled installer who can work safely alongside others and have the drive to work on their own with a willingness to communicate and share their knowledge, step up and take the lead.

This diverse role offers a mix of work each day on a range of sites around Sydney and is well suited to someone that cares about the finished product, their teammates and is looking for a long-time gig where they can grow their skill and be appreciated.

### **We are offering a:**

- Negotiable salary package based on experience
- Work vehicle
- Huge diversity of work
- Further training and career advancement

### **The essentials for this role:**

- A mature positive minded solution focused attitude
- A willingness to learn and be held accountable for their work
- A willingness to respectfully teach and manage site teams
- Minimum of 5 years working with glass and aluminium
- Trade qualified glazier, carpenter or shopfitter
- Can do basic fabrication when required
- Site experience within the building and construction industry
- A high attention to detail and accuracy
- A current manual driver's license

### **Preferred skills, can be taught:**

- A thorough understanding of aluminium extrusions
- Fabrication experience
- Experience with various glazing including skylights and commercial installations
- A basic good knowledge of building practices and Australian Standards
- The ability to read architectural drawings and details
- Leading hand experience

If you love working with glass and are looking for a chance to work on a diverse range of projects in a progressive team then this could be your new dream job!
