

Experienced Glass Installer – *Full-time preferred (Monday–Friday), a four-day week or permanent part-time will be considered for the right candidate.*

A long-standing glazing business based in **Kirrawee** is looking for an experienced, trade-qualified **Glazier** to join our team.

This full-time role covers a broad range of traditional and modern glazing work, including glass replacement, skylights, roof glazing, and maintenance across residential and commercial sites throughout **southern and south-eastern Sydney**.

We're after a true **all-rounder** — a highly skilled installer who can problem-solve on the go, confidently handle hack-outs and maintenance work, and has basic aluminium fabrication and installation experience. You'll be comfortable working safely alongside others, but equally capable of running jobs independently. Strong communication skills, a willingness to share knowledge, and the confidence to step up and take the lead are essential.

The role is varied, offering a mix of multiple smaller jobs in a day through to medium-sized projects running over several days. It's ideal for someone who wants to **start and finish their day in The Shire**, takes pride in quality workmanship, values their teammates, and is looking for a **long-term opportunity** where their skills can grow and be genuinely appreciated.

We are offering a:

- Negotiable salary package based on experience
- Work vehicle
- Huge diversity of work
- Further training and career advancement

The essentials for this role:

- A mature positive minded solution focused attitude
- A willingness to learn and be held accountable for their work
- A willingness to respectfully teach and manage site teams
- Minimum of 5 years working with glass and aluminium
- Trade qualified glazier
- Can do basic fabrication when required
- Site experience within the building and construction industry
- A high attention to detail and accuracy
- A current manual driver's license

If you love working with getting on with it and glass is your thing let's chat.
